Subject: Sale of contaminated pickles, in Chennai-reg.

Please find herewith a sample report of contaminated pickle received from Spices Board Regional Office Chennai. It has been communicated that a consignment of export which was meant for export to Canada is found to be contaminated with Sudan-1, as per this report this is a serious issue, all states and UTs are requested to make a concerted effort to check such type of menaces in local markets also by taking stringent measures.

It is therefore requested that all States/UTs may kindly initiate appropriate action and FSSAI may please be kept informed of the action taken.
