      iii. The documents have been properly signed; and
   iv. The documents submitted are in order and valid on the date of tender opening.

Responsiveness of the bid shall be determined based on the technical and financial proposal of the bidder to execute the contract.

c) FSSAI will examine the bids to determine:
   i. The correctness of the information furnished by the bidder in its bid. In case any information is found to be incorrect/false, the bid shall be considered as non-responsive.
   ii. The substantial responsiveness of each bid to the bidding. For purposes of these clauses, a substantially responsive bid is one, which conforms to all technical specifications and terms and conditions of the bidding documents without material or Financial deviations. FSSAI's determination of a bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.

d) Arithmetic errors will be rectified on the following basis: If there is a discrepancy between the unit price and the total price, which is obtained by multiplying the unit price with quantity, the unit price shall prevail and the total price shall be corrected unless it is a lower figure. If the supplier does not accept the correction of errors, its bid will be rejected. If there is a discrepancy between words and figures, the amount whichever is lower will prevail.

e) FSSAI may contact and verify bidder's information, references and data submitted in the bid without further reference to bidders.

i) FSSAI may seek clarification in writing from bidder by fax/email. Bidder shall promptly reply by fax/email within the time limit specified in the clarification letter from FSSAI.

The Commercial bid of those bidders who qualify as per the eligibility criteria will only be opened. Ineligible Commercial bids will not be opened. The Commercial bids of the technically qualified bidders will be evaluated as per the evaluation criteria mentioned below:

The lowest evaluated Financial Proposal (Fmin) will be given the maximum financial score F(n) of 30 points. The marks scored by the bidders as per the scoring criteria in 3.2 will be marked as T(n) and given a weightage of 70 points.

The Normalised financial scores F(n) of the other Financial Proposals will be computed as per formula for determining the financial scores given below:

\[ F(n) = 30 \times \frac{F_{\text{min}}}{F_b} \]

Here, \( F(n) \) = normalized finance score for the bidder under consideration

\[ F_b = \text{absolute financial score for the bidder under consideration} \]

\[ F_{\text{min}} = \text{minimum absolute financial score obtained by any bidder} \]

The Bidder with highest \( T(n) + F(n) \) will qualify.

(II) **FSSAI's right to accept or reject any or all bids**

a) FSSAI reserves the right to accept or reject any bids and to annul the bidding process and reject all bids at any time prior to award of contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for FSSAI's action.

i) This tender document is not transferable.
