Visit of Delegation to FSSAI from BAFRA

Mr. Karma Dorji, Executive Director, led the delegation of five members from Bhutan Agriculture and Food Regulatory Authority (BAFRA) visited FSSAI on 25th August, 2011. Both the organisations shared their views on the food laws, import and export of food products, regulatory standards of food commodities, organic standards and enforcement. The session was chaired by CEO.

BAFRA shared interest in the new food safety law and its implementation by FSSAI.

Bhutanese delegation requested co-operation in the following areas:

- Import Regulation
- Food safety and standards development
- Training
- Laboratory Testing
- IT enabled licensing system

CEO assured the team that FSSAI would consider necessary co-operation and support on the above issues.
